EXPERIENCE

Ritual • Test Automation Engineer

Kotlin, SQL • January 2021 - April 2021

- Implemented 50% of Android automated test cases for the build sanity suite to be run for every version release, replacing manual testing.
- Created test plans in TestRail and reviewed them with key stakeholders to ensure proper test coverage was achieved in order to catch 150+ bugs.
- Led QA for multiple projects, which involved coordinating with UX designers, product managers, and developers to ensure all project expectations were met.

Tradeworld Realty Inc. • Secretary

January 2019 - April 2020

- Maintained relationships with 30-40 clients by responding to their needs and following up promptly.
- Recruited and effectively trained multiple secretaries by guiding them through tasks and building their confidence.

COMMUNITY

Markham Public Library • Coding Program Lead

August 2018 - August 2020

- Organized and instructed CoderDojo lessons for children from ages 8-12, and successfully taught 15-20 students to create a simple program using Turing and other coding fundamentals.

Thornhill Robotics Club • President

September 2019 - June 2020

- Directed team of 15 members to compete in the York Region Skills Challenge.

EDUCATION

University of Waterloo

Systems Design Engineering (BSc)

September 2020 - June 2025

Culminative GPA: 93% (4.0/4.0)

Relevant courses: Data Structures and Algorithms, Digital Computation, Human Factors in Design

SKILLS

Languages

- Java, JavaScript, Kotlin, SQL, C++, Python, HTML, CSS

Tools

- Android Studio, Google Cloud Platform, MySQL, Adobe Photoshop, Figma, Procreate, SolidWorks

PROJECTS

FilmForest

🔗 [/film-forest](#)

Kotlin, Java, XML

- Designed and developed an Android app that provides movie recommendations based on user input using the TMDB API.

Eggcelent

🔗 [/eggcelent](#)

HTML, JavaScript, Kotlin, CSS, XML
